Taft Scorns 'Me Too'

Assails GOP Who Support 'Fair Deal'

New York, June 19—(AP)—Scorning a "me too" type of campaign, Sen. Robert A. Taft said tonight he doesn't believe the new deal wing of the Republican party can guide the party to victory in the future any more than in the past.

Taft obviously glibed at his chief rival for the Republican presidential nomination, Gen. Dwight D. Eisenhower. Many of the Ohio senator's backers have argued that Eisenhower has been too closely allied with the Truman administration's foreign policies to attack them effectively in the campaign.

Eisenhower has frequently said that isn't so.

In a prepared introduction to a nationally broadcast reply to Eisenhower's initial campaign address at Abilene, Kan., Taft outlined his personal platform, stressing liberty for the individual.

He called for an immediate end to price controls, repudiation of Truman administration foreign policies, steps toward elimination of the draft, and said if he is elected president he will balance the budget during his first year in office.

"Republican Candidate"

"I am a candidate to represent those Republicans, a vast majority of the party, who believe that victory can only be achieved by presenting our principles and program clearly to the people, without modifying those principles to secure the votes of New Dealers; that we cannot win by approving the objectives of the New Deal, and the Truman-Acheson foreign policy, and merely promising to carry them out better."

Taft renewed his pledge to cut taxes by 15 per cent—a pledge which President Truman told his news conference in Washington earlier in the day can't be carried out without, as he put it, showing the country to a deeper hole than it is in now. No president can do it, Truman said.

Taft declared there should be no more interference with personal freedom than is absolutely necessary.

Against Price Controls

"I am in favor of abolishing price controls today," Taft said, "to insure the freedom of the businessman to run his business. Prices are generally below the legal prices."

"The draft and UMT (universal military training) are serious limitations of personal liberty and should never be used unless absolutely necessary for the security of our nation. UMT is certainly unnecessary today. Our policy should aim toward the elimination of the draft."

Sgt. York (WAC)

Reenlists, Now To See Europe

Ft. Monroe, Va., June 19—(AP)—Sergeant York, grandmother of six children who has a desire to see Europe, has been re-enlisted in the Army.

A veteran of eight years' service, Gertrude C. York's third and latest enlistment is for an unspecified length of time, by unspecified, the Army means at least three years.

"I want to go to Germany or France," reporters were told by the brown-haired WAC—who is not related to Sgt. Alvin C. York, World War I hero.

She plans to start a 30-day furlough Sunday. She'll visit her son, Ross Canfield, and his four children in Lovell, Ind., and her daughter, Mrs. Jean Robinson, and her two children in Chicago.

"I haven't told my children that I've re-enlisted," she said. "I did write and tell them I was thinking of it."

Sgt. York returned to the United States last year after she fell and broke her back in Yokohama, Japan. She had spent 55 months in the Far East before the accident. She has been recuperating since December.

Before joining the Army first in 1944, she was employed as a librarian on the Illinois State Journal and Register in Springfield.

Brushing aside a question about her age, Sgt. York remarked: "I'm not a chicken any more."

SPRINGFIELD MAN KILLED ON HIGHWAY

Lewistown, Ill., June 19—(AP)—Roderick W. Tipton, age 27, of Springfield, was killed today when his automobile and a truck collided head-on on Route 24 six miles east of Lewistown.

Tipton, a graduate of Ohio State University, was sales engineer for the American Bituminous and Asphalt Company of St. Louis.

Duped Jailer Volunteers For Lie Test

Springfield, Ill., June 19—(AP)—Melvin Palmer, Springfield jailer who says he was duped into letting Robert L. Knetzer, bankrupt Edwardsville auto dealer, walkout of the city jail Tuesday, volunteered today to take a lie detector test.

Palmer, who said he allowed Knetzer to leave jail with a man who represented himself as a U. S. marshal, said he would take the lie test Friday.

Meanwhile, the FBI said it had no clues to the whereabouts of Knetzer, who was arrested on an indefinite sentence in March, 1950, for contempt of court.

Police Chief Ben Little said eight policemen on duty at the station at the time of the escape related they did not see Knetzer's accomplice enter or leave the prison.

Knetzer was jailed by Federal Judge Charles G. Briggie, who ruled the auto dealer had not reported \$250,000 in assets. Knetzer was released from jail eight times to raise money to pay creditors and came up with \$170,000.

His \$1 million dollar bankruptcy case grew out of an auto sales scheme in 1947, which blew up when he failed to provide cars or refunds to customers who had made down payments.

House Cuts In On White House Control Bills

Washington, June 19—(AP)—The House struck two blows at administration policy today as it began voting on a bill to extend wage, price and rent controls for another year.

First it voted 169 to 103 to ease current restrictions on the importation of critical and strategic materials from abroad. This was a blow at the controls system set up by the International Materials Conference (IMC).

Then it adopted an amendment to hold down imports of foreign goods when the domestic production of similar goods is limited by allocation of raw materials. The vote was 112 to 43.

Rep. Multer (D-NY), opposing the amendment, declared it would injure this nation's trade ties with friendly countries and force them to trade with Russia.

Meanwhile support developed for a proposal to abolish the Wage Stabilization Board (WSB) and replace it with a body stripped of all authority to intervene in labor disputes. The new group would be limited to policy functions.

The House Labor Committee recommended last Tuesday that the WSB be abolished.

House leaders hoped to dispose of the controls extension bill today, but after five hours of debate and voting the major part of the bill remained open for consideration and the House put over further action until tomorrow.

Before doing so, it approved a committee amendment authorizing Reconstruction Finance Corporation loans to encourage the manufacture of newsprint.

Stratton Assails Morals Of State Administration

Chicago, June 19—(AP)—William G. Stratton, Republican candidate for governor of Illinois, said today Gov. Adlai E. Stevenson "has made no attempt to clean up his own party."

Stratton, who will seek to oust the Democratic governor in the November election, told a luncheon audience at the Union League club: "In three years he has made no attempt to clean up his own party."

He allowed his Civil Service Commission to throw open the list of civil service employees to the lowest form of political pressure.

"For the first time in many years, civil service employees under the rules can be precinct captains and contribute to campaign funds."

Stratton said that if Stevenson wants to argue the issues on street corners, he (Stratton) will be available.

BASIS FOR IDEAS

London, June 19—(AP)—The British Medical Journal today scoffed at the idea that personal magnetism or electricity may be responsible for stopping watches worn by certain people.

It suggested the idea originates with:

USW To Move Defense Steel

Will Permit Flow Through Picket Lines

Pittsburgh, June 19—(AP)—The striking CIO United Steelworkers dispatched orders today to local union officials to co-operate with company executives in moving defense vital steel into the hands of the military.

David J. McDonald, secretary-treasurer of the steelworkers, telegraphed USW locals to pass defense material through picket lines. He acted after receiving a government list of warehouses and mills in which the needed types of steel are stored.

Elsewhere on the strike front: 1. USW President Philip Murray declined to comment on President Truman's statement he is considering use of the Taft-Hartley act to end the crippling 18-day-old steel strike. Some union officials and rank and file hinted they would balk at returning to work under a court order.

2. The Independent Steelworkers,

a non-USW group which represents 13,000 employees of Weirton Steel Co. in Weirton, W. Va., and Steubenville, O., reported it is near contract agreement with the firm. Those workers received an average of \$2.11 an hour in May, compared to the approximately \$1.95 an hour paid USW members.

The Independent union's contract demands were not disclosed.

3. Striking unionists are feeling the financial pinch now that pre-strike savings have been eaten up. The USW does not pay strike benefits but does allow hardship cases.

4. Lay-off in Allied industry pose a growing threat to more and more workers. Several companies disclosed that furloughs of thousands of workers loom if the steel strike continues. The number already idled has risen past 100,000.

Progress was made in plans of government, industry and union to keep the military machine rolling by getting out steel needed by the armed forces and the atomic energy commission.

The government furnished the union with a list of about 75 warehouses in which finished, high-grade steel is stored. That steel is supposed to be composed of the grades and kinds which are needed to complete defense orders.

Dirksen Asks For 'Boldness'

Philadelphia, June 19—(AP)—U. S. Sen. Everett M. Dirksen of Illinois said tonight that if the Republicans are to be successful in the presidential election this November "there must be a bold leadership."

Dirksen mentioned no names in his address to 4,000 Philadelphia Republicans who attended the \$100-a-plate dinner in mammoth convention hall.

Dirksen is a supporter of Sen. Robert A. Taft of Ohio for the top presidential nomination and will make the nominating speech for Taft at the Chicago convention.

Tonight's dinner, plus a similar one being held in Harrisburg with 1,300 guests, will raise about \$400,000 to be used by the state Republican committee in the November election battle.

Supporters of both Taft and Eisenhower united to sponsor the dinner and Dirksen commented that there must be unity of endeavor.

He added: "Unity comes before victory."

Dirksen said the GOP must fight in 1952 and not "drift as we have done in other days and go about saying that victory is in the bag."

He added: "We can fight to win the presidential election, and if we are to fight successfully there must be a bold leadership."

Attorney General Discharges Aide

Washington, June 19—(AP)—Attorney General McGranery today announced the removal of the U. S. district attorney from Kansas and said a federal grand jury will be asked to review some of his acts.

The attorney general told newsmen that the Kansas prosecutor, Lester Luther, 63, of Topeka, had been removed from office shortly before 5 p. m. Eastern Standard Time, by presidential order.

Flying Pop Greeted At Norway Air Base

Sola, Norway, June 19—(AP)—Max Conrad, the flying pop, arrived at this large air base in southern Norway today after a 4,000-mile flight from Washington, D. C., in a tiny Piper Cub, and said he would do it again.

Scorning suggestions that he catch a boat for the return journey, Conrad said: "Why, this was no worse than driving from Chicago to Minneapolis."

Conrad was welcomed by a reception committee from the nearby city of Stavanger, headed by Mayor Karlson and Deputy Mayor Ragnar Rippkrog.

Immediately after stepping down from his tiny craft, the Winona, Minn., father of 10 was swamped by high school girls and one of them gave him a big kiss.

Said Conrad: "If I had known that I would have a reception like

Living Cost Ratio Nears Record Peak

Wheat Crop Restrictions Off Of 1953

Washington, June 19—(AP)—The cost of living, as measured by the government, today crept close to the all-time peak set last January.

Rising food and rent costs boosted the latest index, covering prices for the month ended May 15, to 189 per cent of the 1935-39 average. Last January it reached 189.1 per cent, fell sharply in February, and started climbing again in March.

The new figure, as published by the Bureau of Labor Statistics (BLS), means an automatic two-cent hourly wage boost for 1,250,000 railroad workers and at least a penny for an estimated 100,000 textile, aircraft and oil refining workers.

These workers have contracts which tie wages with the cost of living. Adjustments are made every three months.

The sharpest price jump in today's index came in rents. They advanced four tenths of one per cent over April 15. Food went up three-tenths of a per cent, mainly because of a 3.9 per cent jump in the price of fresh fruits and vegetables. Those foods are exempt from price control.

The index revealed that prices have gone up 4.1 per cent since price controls went into effect 18 months ago.

Prices of clothing, house furnishings and fuel and electricity dropped.

Smaller Supplies And Higher Price, U.S. Pork Outlook

Washington, June 19—(AP)—Higher prices and smaller supplies of pork for next fall and winter were indicated today in an Agriculture Department report.

The department said farmers produced 9 per cent fewer pigs during the spring season this year than a year ago. Spring pigs reach slaughter weights in the following fall and winter.

Nevertheless, total meat supplies may be a little larger because of prospective increases in marketings of beef cattle, calves, sheep and lambs.

Should this year's corn crop prospects develop favorably during the next two or three months and bring some easing in feed grain prices, farmers might produce more pigs in the fall season than they now plan.

The indicated total production of pigs for 1952 was put at 93,107,000 head compared with 102,189,000 last year and 92,554,000 for the 10 year average.

Claims Federal Employee Gambled In Soybean Oil

Washington, June 19—(AP)—Senator Aiken (R-Vt.) said today an agriculture department employee has been speculating in soybean oil.

Aiken said the employee had "taken a flier" on soybean oil in the New York market, using his wife's name. He said the man was "white-washed" by the compliance and investigation division of the Agriculture Department.

Aiken identified the employee only as a man named Kloss.

The senator made the charges and asked Secretary of Agriculture Brannan about them at a hearing before the Senate Agriculture committee.

"I know nothing about it," Brannan said.

Brannan asked Aiken if he thought he (Brannan) would seek to influence the price of soybean oil in his recommendations to price stabilization officials in order to help the employee.

Aiken identified the employee only as Brannan snorted "Of course, you don't."

Brannan told Aiken that if he knew of such a matter he should have reported it to him and he would have checked on it at once.

Indiana Woman Killed Returning From Canada

Elgin, Ill., June 19—(AP)—Tragedy struck near the end of a Canadian fishing trip of two Franklin, Ind. doctors and their families today.

Killed in an auto-truck crash at a highway intersection 10 miles west of Elgin was Mrs. Lillian D. St. Franklin, 68, of 99 N. Water St., Franklin.

Mrs. Province was riding in a station wagon driven by her daughter, Mrs. Julia R. Quinn, 35. With the women was Mrs. Quinn's daughter, Judy, eight months. Mrs. Quinn and Judy were brought to Sherman hospital, Elgin, for treatment.

NAMED CHAIRMAN

Peoria, Ill., June 19—(AP)—Harold A. Bejek of Bloomington is the new chairman of district four, Illinois Welfare association. He was named at the annual district meeting in nearby Lacon Wednesday.

Taxes Low, Says Truman

Defies Push To Utilize Labor Law

Washington, June 19—(AP)—President Truman said today that no president, Democrat or Republican, can cut taxes 15 per cent. In fact, he said, taxes ought to go up instead of down because of the federal deficit.

If taxes could have been reduced 15 per cent, he said he would have cut them himself. He can give the facts about taxes, the president said because he isn't running for office.

That was his way of taking a couple of news conference political punches at Gen. Dwight D. Eisenhower, and more particularly at Sen. Robert A. Taft of Ohio.

Taft made a flat promise yesterday of a 15 per cent tax cut if he got into the White House. Eisenhower said if he becomes president the budget can be balanced, Allied military strength raised to a par with Russia, and taxes cut—all in two years. Taft and Eisenhower are the main rivals for the Republican presidential nomination.

In spite of the speeches Eisenhower has been making lately—some not exactly friendly to the Truman administration—Truman said he is very fond of Eisenhower, that the general is entitled to his own political views in a free country.

But as for wishing Eisenhower luck—that was a little too much, Truman chuckled and said, "he couldn't do that, since the general isn't running as a Democrat."

Ignored T-H Law

While the emphasis was on things political, the news conference happened around among assorted other subjects, such as:

Steel—Effects of the strike are becoming very serious, Truman said. Auto production is being cut. Every industry will feel the strike. But at present the president is not considering summoning steel labor and management to the White House for more conferences.

Taft-Hartley—House and Senate can't tell the president what to do about using the T-H law in the steel strike, Truman said. Use of the law is purely permissive, a matter within his own discretion. The use of the law is being considered, but it has been considered right along.

An 80-day injunction to stop the strike, as the law permits, would only prolong the agony, Truman said.

"But you could get production for 80 days," a reporter protested.

How do you know that? The president shot back.

Sure, he said, he was implying that the workers would ignore an injunction.

"War—There is no new note of urgency in the international situation—the note has been there all the time. Every effort is being made to prevent World War III. Truman said. There has been great progress, he said, and we can't let down now."

St. Lawrence Seaway—Of course, Truman said, he will support a lone wolf effort by Canada now that the U. S. Senate has rejected a U. S. Canadian construction project.

Civil Service—Plans to put customs collectors, U. S. marshals and more postmasters under Civil Service, likewise turned down yesterday by the Senate, were right, Truman said they should have been allowed to go through.

MacArthur—The president isn't saying whether he approves an army ruling that Gen. Douglas MacArthur must be violating army regulations when he delivers the keynote address at the Republican national convention. The army is in charge, Truman said.

Checker Cab Firm Sues Chicago

Chicago, June 19—(AP)—The Checker taxi company today sued the City of Chicago for 15 million dollars damages, charging the city violated its own cab ordinances and thus caused the company financial loss.

The firm contends the loss resulted when the city permitted war veteran taxicabs to operate since 1945 in violation of the ordinances.

The company said it would carry the case to the Illinois supreme court if it lost in circuit court.

A similar suit by the Yellow cab company, asking 75 million dollars from the city, is pending in federal district court.

The ordinances claimed to have been violated limit the number of cab licenses to 3,000. In 1937, Checker gave up 500 licenses when the limit was established. The company claims that under the ordinance it should have gotten 45 per cent of new licenses issued after the war until it received back its 500.

INTERURBAN SCHEDULE

Springfield, Ill., June 19—(AP)—The Illinois Terminal railroad company said today that elimination of trains No. 70 and 71 between St. Louis and Springfield would cut its losses on passenger traffic in the St. Louis-East Peoria division.

The hearing before the Illinois Commerce Commission was continued to July 25 at Springfield.

A company petition said division passenger train losses totaled \$6,002 monthly and that elimination of train 70 would cut \$1,441 from this deficit.

Dr. Russell Orr Asks Extension Of Church Drive

Rev. Russell S. Orr of Springfield, executive secretary of the Illinois Baptist convention, was the featured speaker in the final session Thursday morning of the Illinois Baptist Women's house party at MacMurray College. His subject was "The Challenge Before Us." He spoke to more than 200 delegates to the conference, which opened Tuesday noon and closed Thursday noon.

Rev. Orr called upon the church to extend its field of operations into the new housing areas of the Nation's rapidly growing cities. He asked "that no energies be spared in making active Christians of citizens who live in the new and outlying areas of our urban centers." He pointed out several reasons for the necessity for such a campaign.

The speaker also called for "a nationwide spiritual revival." He asserted that there is "a vital need to strengthen the moral and spiritual fiber of the American people." Rev. Orr said the present world situation demands that this country be morally as well as militarily strong.

The speaker concluded by describing and commending the new Baptist camp site on the shores of Lake Springfield and invited the members of the church to inspect it and make use of it.

Mrs. Fred Jackson, Champaign, president of the Illinois Baptist Women, presided over the concluding session. She was assisted by Miss Isabelle M. Gates, national Baptist refugee official, who was a featured speaker Wednesday afternoon.

A luncheon at 12:30 p.m. concluded the conference, one of the largest the organization has had in recent years.

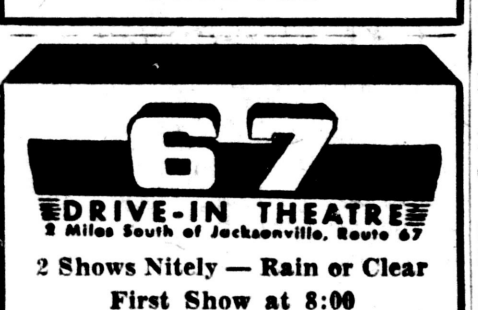

Horses were found in America until comparatively recent geologic times, but died out and did not appear again until introduced from Europe by man.

Ask Court To Permit Funds For Hospital

Suit was filed with the clerk of the Morgan county circuit court Thursday noon asking the court to construe the terms of a trust set up by the late A. B. Chrisman of Meredosia to permit funds he paid into it to be turned over to the Passavant Memorial Hospital Association. The amount of money involved is \$10,000.

Original purpose of the trust established by Mr. Chrisman, who died Feb. 9, 1947, was to provide adequate hospital facilities for the people of Meredosia. As the amount of money in the trust at the time of Chrisman's death was insufficient to construct a hospital in the village, Passavant offered to set aside a ward in the new area hospital being constructed in north-west Jacksonville as the "A. B. Chrisman Meredosia Memorial Ward" if the trust should turn over the \$10,000 for use in constructing the building.

The complaint sets out that Chrisman, a prominent grain dealer in Meredosia for many years, established the trust in 1945. Chrisman began making payments into the fund which, at the time of his death, amounted to \$10,000. The complaint alleges that the funds are insufficient to provide for the original purpose of the trust, construction of a hospital in Meredosia.

The trust also provided, however, that under certain circumstances the funds could be used to pay the

costs of constructing, maintaining and endowing a youth center in Meredosia. But the complaint alleges that the amount, in the trust also is not enough to accomplish this aim.

Contention of Plaintiffs
Since the creation of the trust in 1945 the Passavant Memorial Association began construction of the new hospital, designed to provide hospital facilities for a large area surrounding Jacksonville, including the Meredosia region. It is contended, therefore, that Chrisman's original purpose would be fulfilled if the funds were made available to the Passavant association for use on the new hospital in the manner suggested by the Association.

The board of trustees of the fund, which includes five persons and the Elliott State Bank, are plaintiffs in the suit. The trustees are Allen B. Chrisman, Garnett C. Crow, Wilma H. Chrisman, John E. Peters and G. D. Nortrup.

Ivan A. Elliott and the Passavant Memorial Hospital Association are defendants. Under the law the attorney general of the state represents the people in matters involving charitable trusts and, therefore, he is necessarily a party to the proceedings, as is the Passavant Association.

It is expected that the case will be heard in the circuit court in the near future. Attorneys for the plaintiffs are Vaught, Robinson and Foreman.

Boy's Foot Placed In Cast; Injured It Friday, 13th

Junior Maberry, 11 year old son of Mr. and Mrs. Henry Maberry of Jacksonville route 6, has returned to his home after treatment for injuries at St. John's hospital in Springfield.

Junior was victim of one of those things that happen on Friday, the Thirteenth. That was the unlucky day on which he broke two bones in his left foot. The damaged foot has been placed in a cast and he is now on the road to recovery.

The term "holiday" derives from "holy day."

S/Sgt. Wendell Swain, who is stationed with the army in Denver, Colorado, recently received a letter of commendation from the Commanding Officer of the 34th General Hospital for his help in organizing and training the new unit.

The hospital is an experimental unit in which the same personnel is being maintained from the beginning of basic training throughout the advanced technical training. Approximately five hundred men were sent to the 34th in May, 1951 to take fourteen weeks basic training and have just completed school training and twenty one weeks of advanced parallel training at Fitzsimmons Army Hospital before being sent to Europe to operate a one thousand bed general hospital.

Sergeant Swain was assigned to the unit as cadre and early in the training was a barracks sergeant in charge of a platoon of men. Later he was assigned chief noncommissioned officer in charge of classification and assignment of the men to the various technical and non-technical positions throughout the hospital.

A graduate of Jacksonville High School in 1946 and the University of Illinois in 1950, he was drafted into the army in the fall of 1950. He took his basic training at Fort Riley, Kansas and Fort Sam Houston, Texas. After completing basic he was classified as scientific personnel and assigned to on-the-job training at Fitzsimmons in the field of Personal Management Specialist.

Sergeant Swain is the son of Mr. and Mrs. Albert R. Swain.

ON THE RIGHT ROAD TO PROGRESS

A surveyor sights along the rolling highway.

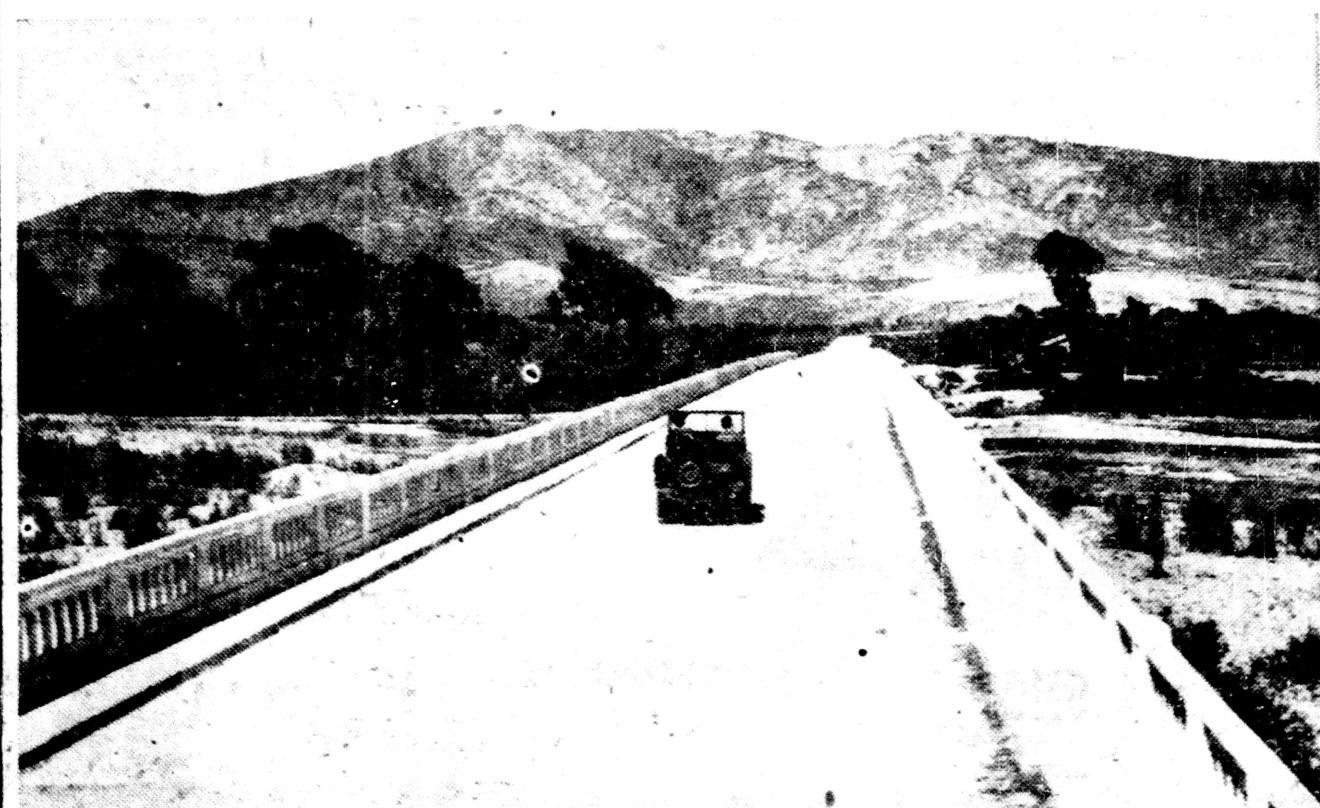

Heavy road-building equipment cuts through a ridge and men grade out wall.

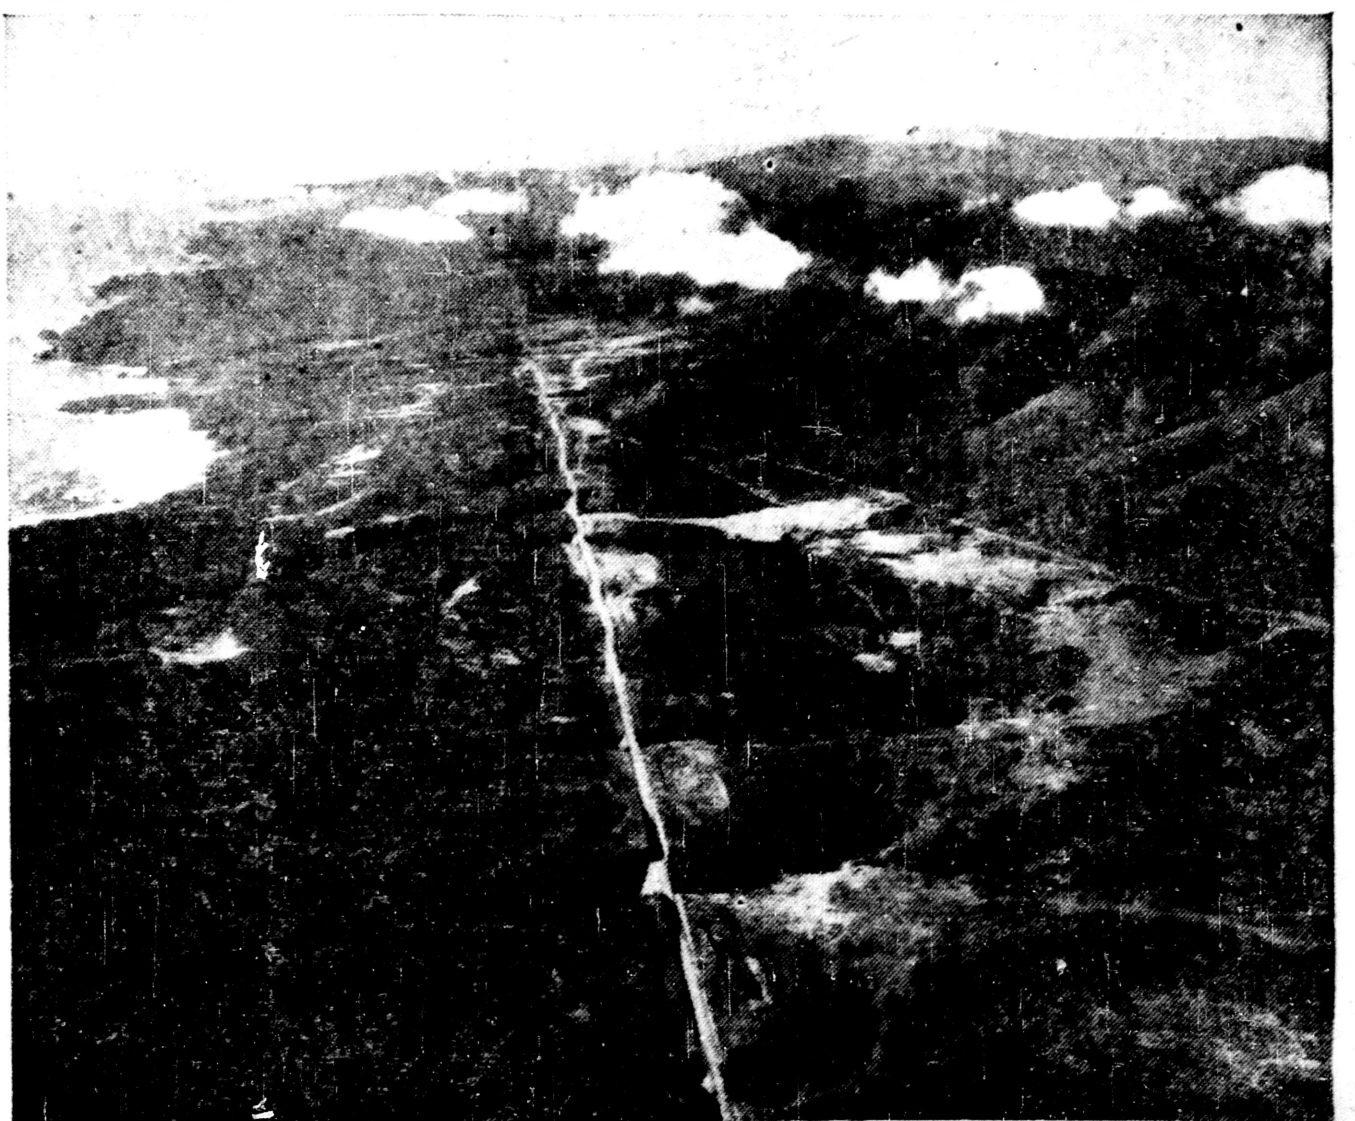

Workers bail water from concrete bridge footings in a river.

PUSHING ACROSS mountains, rivers and deserts, 2,500 men and \$15 million worth of machinery are laying a modern highway north along the Chilean coast as another link in the Pan-American highway. Advance crews have cleared a 130-foot right-of-way which provides for a 24-foot-wide, two-strip concrete and asphalt road and allows for third strip. Twelve bridges will carry the road over rivers and curves are designed to permit a steady flow of traffic at speeds of 60 miles an hour. When the road is finished, motorists will be able to drive over a hard-surface road from Arica, Peru, to Puerto Montt, Chile, a distance of 2,112 miles, almost half the total length of the South American highway. And, the new road will open large areas to agricultural development and give access to a scenic seacoast.

Jeep passes over one of the completed bridges on the highway at Huentelauquen, in Chile.

Arrow-straight, Chile's part of the Pan-American highway follows along the northern coast.

SUGGESTS

South American Pot Roast
4-4½ pounds Armour Star blade
or round bone chuck roast,
beef of round or rolled ramp.
Or rolled ribs from lower
grade beef
¼ cup Armour Star Lard
1 tablespoon dry mustard
1½ tablespoons brown sugar
1 tablespoon salt
¼ teaspoon pepper
¼ cup vinegar
1 cup sliced onions

Slowly brown beef in pre-heated
kettle and hot lard on all sides.
Add seasonings, vinegar, onions
and ¼ cup water. Cover and sim-
mer very slowly 4 hours or until
tender. If water accumulates as
meat cooks, drain it off and save
for gravy later. Thicken gravy
just before serving.

It's often an economy to buy a larger
cut of meat and stretch it over sev-
eral fresh-cooked meals. These three
meals you get from a pot roast are

each so different you'd scarcely be-
lieve they came from the same cut.

Appoint Frank Hoffman Local Air Defense Head

Frank Hoffman, manager of the Municipal airport north of the city, has been appointed coordinator of civil air defense for Morgan county. Plans are being developed to draw into the set-up "all persons who can contribute to the air defense system of this area."

The local civil air defense system is under the direction of the state Civil Air Defense.

"We are working on plans to assign duties to a large number of persons who will be members of the organization," Hoffman said, and he added, "we also hope to organize a civil air patrol for this county eventually."

Persons who become members of the organization "will be coached in specific tasks and will be prepared to go into action the minute an alert, practice or otherwise, is sounded."

Arrangements will be made to keep civil air defense members in constant touch with the Municipal airport, the local civil air defense headquarters.

Statewide Drills

Local civilian pilots already have taken part in statewide civil air maneuvers. Earlier this year a practice emergency mission carried medical supplies and personnel into Chicago from downstate areas. Local pilots participated.

"Of course all of us hope that the civil air defense system we are building will never have to be used for the real McCoy," Hoffman commented, "but it is very, very important that we should be prepared for any eventuality."

He said "we never know here when a practice alert is to be sounded. Like the real thing, it could come anytime."

The airport manager said Thursday a second prefabricated hangar is now installed at the airport, increasing the capacity of the airport to handle aircraft. A long, low lean-to will house the flight operations office.

An aircraft mechanic, Frank Davis, recently was added to the staff at the local air installation. Originally from Texas and the Southwest, Davis is now a resident of Jacksonville. "His presence greatly increases the efficiency of our installation," Hoffman remarked.

The Municipal airport still needs an all-weather runway, according to the manager, and tentative plans call for the construction as soon as appropriations can be secured.

"However, even during the foul weather last winter, we were never tied up," Hoffman observed. A full force of personnel keeps the runways constantly manicured and, thus far, always usable.

"It is fortunate that we have been able to keep the airport always open," Hoffman said, "because emergencies involving serious illnesses or other misfortunes are constantly cropping up and the airport has been used frequently to land patients headed for local hospitals."

Warns Against Sale, Discharge Of Fireworks

Chief of Police Ike Flynn issued a double barrel warning Thursday against the sale and discharge of illegal fireworks in Jacksonville. It's state law, the chief pointed out, and the Illinois Highway Police are backing up local officers everywhere in enforcing the anti-fireworks statute.

Chief Flynn said the law prohibits the sale and discharge of explosive fireworks anywhere within the state. Persons who procure illegal fireworks and shoot them outside of corporate limits are violating the law.

A number of instances have been called to attention of the police department where both children and adults ordered fireworks by mail from out-of-state. These fireworks are illegal and to discharge them is in violation of the law. Several citizens have consulted with police and mailed the fireworks back to their source, after finding out the facts.

State police were instructed Thursday to seize any illegal fireworks offered for sale and to impound the supplies.

Dinner Honors 3 Office Employees Of Capps Factory

A fried chicken dinner was served to the office personnel of the J. Capps and Sons clothing factory at 7 o'clock Wednesday evening at the Southern Aire restaurant. The party was in honor of three fellow workers, Miss Opal Beard who is a prospective bride; Mrs. Evelyn Boston and Mrs. Rosemary Schoebaum, both of whom will be leaving the employee of the organization in the near future.

The three guests of honor were presented corsages and appropriate gifts. The evening was spent in playing traveling bingo.

Those attending, other than the honored guests, were Marie Shearburn, Kathleen Flynn, Navalee Eyer, Marjorie Casey, Elizabeth Alred, Mathilda Ingram, Laura T. Hayes, Katherine Gardner, Frances Martin, Lena Melton, Frances Bodensick, Alberta Black and Margaret Wight. Catherine Whitehurst was unable to be present.

Helium was discovered in spectroscopic studies of the sun before it was found on earth.

DeMolay Chapter Helps Sponsor Boat Excursion

The general public may purchase tickets for the moonlight excursion on the Admiral excursion boat at St. Louis on June 27 which the Lewis Henry Clampt chapter of DeMolay is helping sponsor. The local chapter's ticket sale is under the chairmanship of Bob Garner, who may be reached at 220 West Douglas or by phoning 632-Z. The forty tickets the Jacksonville chapter are responsible for must be sold by June 24 and are selling at popular prices.

The Alton DeMolay chapter is chief sponsor for the trip which includes music, and dancing in an air conditioned ballroom to the music of Johnny Polzin and his orchestra.

The boat leaves the Washington Avenue wharf in St. Louis at 9 p.m. DST or 8 p.m. CST. Though a caravan of DeMolay members and their dates will leave from the Masonic Temple early Friday evening, June 27, the general public must provide its own transportation.

The pupils of the Vacation Bible school at the Youngblood church presented a program Sunday evening.

Mrs. Guy Seymour of Franklin called on Mrs. Harriet Seymour Monday afternoon.

Lawrence Jones was operated on for appendicitis Monday at Passavant hospital in Jacksonville.

Mr. and Mrs. Wilbur Oxley and daughter, Barbara, and Mr. and Mrs. Keith Bolton and daughter, Linda, spent Sunday with Mr. and Mrs. Cecil Oxley.

Carl Erskine Pitches No-Hitter For Brooks; Cubs Are 5-0 Victims

Brooklyn, New York, June 19.—(AP)—Carl Erskine, 25-year-old Brooklyn right-hander, pitched a near-perfect game today, turning in a no-hit, no-run game as the Dodgers defeated the Chicago Cubs for the third straight time, 5-0.

Erskine allowed only one Chicago batter to reach base as he became the first National League pitcher to turn the trick this year. Virgil Trucks of the Detroit Tigers, against the Washington Senators on May 15, is the only American pitcher to turn in a no-hitter this season.

Of all people, Willard Ramsdell, Chicago's second pitcher, was the batter to reach base. He walked on four straight pitches in the third inning to ruin Erskine's bid for the first perfect game since Charley Robertson of the Chicago White Sox retired 27 Tigers in succession on April 30, 1922.

It was the first National League no-hitter since Cliff Chambers of Pittsburgh checked the Boston Braves May 6, 1951.

The last time Chicago was held without a run on May 2, 1917, by Fred Toney of the Cincinnati Reds.

The victory was Erskine's sixth against one defeat and his first against Chicago since he conquered the Cubs in his major league debut.

Young Red Sox Pitcher Baffles Browns In 2-0 Fray

St. Louis, June 19.—(AP)—A young right-hander pitcher who previously had started only one game this season and failed to last five innings then, completely baffled the St. Louis Browns today as the Boston Red Sox won the series final, 2 to 0.

Ivan Delock, whose regular chores with the Red Sox is relief pitching, held the Brown to five scattered hits as he recorded his third victory.

The Brown took the series, two games to one.

Boston's first-inning run, scored by Ken Holcombe, started with a walk to the first batter in the game, Dom DiMaggio. Billy Goodman's single to right advanced Dom and he scored on George Kell's infield hit.

The Browns, in turn, loaded the bases with two out on their hits and a walk in this busy first inning, but Delock pulled out unhurt when left fielder Archie Wilson turned Dick Krynowski's fly into a double play by picking Jim Deling off second base.

Brooklyn president Walter F. O'Malley, happy beyond words, presented Erskine with a \$500 check immediately after the game and ordered a case of champagne be sent down to the clubhouse where the Dodgers celebrated as if they had just won the pennant.

"My control did it," beamed Erskine in the clubhouse as he was being besieged by photographers from all sides.

"I threw a lot of curves and some fast balls. I had them hitting the pitch I wanted them to. My control was good, I didn't have to resort to my change of pace, which is my best pitch."

Although only five balls were hit to the outfield, Erskine needed and received some fine defensive help from his mates. Twice third baseman Bobby Morgan made swell stops and throws to take away hits from the Cub batters. Erskine also chipped in with fine fielding plays. He figured in six of the putouts.

MARTY HAS HIS TROUBLES — BUT IT'S A GOOD JOB

BIG PROBLEM—When Bill Veck fired Rogers Hornsby, Marty Marion once more had one of 16 major league managers' jobs. Defending Champ Patty Berg Upset In Western Open

Chicago, June 19.—(AP)—Defending champion Patty Berg, putting badly, was upset, 5 and 3, by Betty Jameson, 1942 meet winner, in the quarterfinals of the Women's Western Open Golf tournament today.

Then ended Patty's quest for an unprecedented fifth western title which she had won in 1941, 1943 and 1948 prior to last year.

Other quarterfinal winners over chill, wind-swept Skokie Country club followed form.

Medalist Betsy Rawls, 1952 leading golf money-winner from Austin, Tex., conquered another pro, Peggy Kirk, 2 up, when the Findlay, O., lass dumped her second shot on the 18th into a pond and conceded.

Atlanta's Louise Suggs, a three-time western champion, eliminated amateur Mary Lena Faulk of Thomasville in an all-Georgia scrap, 5 and 4, to move against Miss Rawls in tomorrow's semi-finals.

Barbara Romack, sure-shooting 19-year-old amateur from Sacramento, Calif., won the day's "Kid Match," eliminating Barbara McIntire, 17-year-old Toledo high school girl, 4 and 3.

Miss Romack had the best first nine, one-under-par 36 for a three-hole lead, but wound up four over standard.

Bobby Shantz Wins 11th Straight, A's-Sox Split

Chicago, June 19.—(AP)—Philadelphia's miraculous left-hander, pinstriped Bobby Shantz, today achieved his eleventh consecutive victory of the season as the "A's" divided a doubleheader with the Chicago White Sox.

Shantz pitched Philadelphia to a stirring 4-1 victory in the opening game, with a brilliant five hit performance to register his 12th triumph against one defeat. The White Sox barely won the second, 5-4. As a result, the Sox remained in third place, four games behind the league leading Yankees, despite the Sox' 10 victories in their last 13 games.

Glasgow Woman Wins British Golf Title

Troon, Scotland, June 19.—(AP)—Moira Paterson brought the women's British golf title to Scotland for the first time in 14 years today by defeating Frances Stephens of England, 1 up on the 38th hole with one of the most amazing comebacks in sports.

As late as the 27th hole she was four down with only nine holes to go. Then the 29-year-old Glasgow girl won four holes in a row, twice sinking nine-foot putts for victories. She squared the match on the 31st.

They matched each other until the 38th. Here the new links queen chipped to within 18 inches of the cup while Miss Stephens, a former champion, slid nine feet past and missed the putt coming back.

Miss Paterson sank her tap to win the hole and the title.

The last of the 10 Americans contesting for the corn was Mae Murray of Rutland, Vt., who was eliminated yesterday by Miss Stephens.

London, June 19.—(AP)—A 7-1-26 are the numbers on the racecard of three winning horses at the Ascot track today which won \$12,039.90 for a little man in a blue suit who bet 70 cents.

But the little man did not show up to claim his winnings. The manager of the totalisator waited for nearly an hour after the last race had been run, and then closed down the machine.

The little man in the blue suit, the only one of 19,146 bettors to pick the day's Ascot Treble has nine days in which to claim his winnings.

FAN BREEZES

BY BOB MERRIS

Sloppy base running caused the St. Louis Browns to drop a 2-0 decision to the second-place Boston Red Sox at Sportsman's park yesterday afternoon.

Everyone labels as fantastic the little story about the kingdom that was lost for want of a horse shoe nail. Well, for want of a third base coach and some heads-up runners a major league baseball game was lost yesterday. That's just about as fantastic, isn't it?

We trekked to St. Louis yesterday to see just what kind of miracles "Slats" Marion has worked with the Browns. Statistics don't lie. Marty's Browns have won five out of nine games. They whipped the mighty Red Sox two out of three.

With Marion at short stop yesterday the Browns looked every inch a big league ball club. Slats took part in three lightning-fast double plays. The entire ball club plays with first division gusto when Marty is on the job.

But the base running! Bobby Young was trapped off third base on a ground ball to the Red Sox pitcher. Jim Deling was caught napping off second and outfielder Arlie Wilson turned a routine fly ball into a double play. Jim Rivera's rally was nullified by this out. On another occasion Rivera was tossed.

Marion is a \$50,000 short stop and manager. He ought to be worth the consideration of a pair of base coaches.

Maybe Ty Cobb was right. They don't run those bases like they used to. But we don't know anything about "used to." Only that we'd like to see the Browns win; and they could with better base running.

Dutch Harrison Wins Low Medal In PGA

By Will Grimsley
Louisville, June 19.—(AP)—E. J. (Dutch) Harrison, 42-year-old barn-stormer from the foot of the Ozarks, won the low medal in the PGA Golf tournament today with a 36-hole score of 136, eight under par.

The tall, stoop-shouldered Arkansas traveler riveted a three-under-par 69 to a first round 67 over the wide-open big spring course to clinch the \$250 qualifying prize by a stroke over Harry Dodd of Dallas.

Todd, playing in his first PGA, fired the day's best round—a sparkling 66—while others, Cary Middlecoff, Lloyd Mangrum and Lew Worsham, went badly for the course record of 64 but wilted under a sweeter sun.

The first day leader, Bob Gajda of Birmingham, Mich., could back his opening 66 up with not better than a 73 and he fell back to a tie for sixth at 139.

The low 64 qualifiers begin the sudden death match-play Friday, with the field to be reduced to 16 with two rounds of eliminations.

From then on, it's 36-hole matches every day until the championship is decided next Tuesday in Golf's most rugged test.

Defending champion Sam Snead heads the bracket. Exempt from qualifying, the aching back West Virginian changed his mind offener than a flickle woman and finally decided to shoot for the medal.

Troubled by a pulled muscle in his back, he shot two even-par 72's for 144.

Par for the big spring course is 36-36-72.

Harrison, a native of Conway, Ark., who earns his pay now at Ardmore, Ark., put his 136 on the board while the sun was high and then sat around and watched the other boys shoot at it.

The Argentine Gaucho, Roberto De Vicenzo, and two of the lesser known Americans pros, Henry Williams, Jr. of Kutztown, Pa. and Fred Grover of Port Washington, L. I., were tied at 138, two strokes back.

Bracketed with Gajda at 139 were Middlecoff, Claude Harmon of Mamaroneck, N.Y.; Lloyd Mangrum, of Niles, Ill.; David Routledge of Newark, Del.; and Milon Marusic of Herkimer, N.Y.

Pirates Knock Giants Down With 8-1 Setback

New York, June 19.—(AP)—The Pittsburgh Pirates scored five times in a hectic third inning to defeat the New York Giants, 8 to 1, and drop the National League champions five games behind the pace-setting Brooklyn Dodgers.

During the third inning rally, a rhabarber developed when plate umpire Babe Pinelli first called Pittsburgh outfielder George Metkovich out, then safe. When play was resumed after a heated argument, Leo Durocher announced that the Giants were playing the game under protest because of Pinelli's reversed decision.

The umpire claimed that he changed his ruling when apprised by third base umpire Dusty Boggess that catcher Wes Westrum had dropped the throw from the outfield, which he did not see.

White Sox vs. Senators (2:30 p.m.)
Giants vs. Cards (5:30 p.m.)

The Cubs lambasted the Giants 15-5 in a Little League diamond encounter on the State Hospital diamond yesterday afternoon.

The Bruins, one of the leaders in the four-team twilight loop, opened up with a five run outburst in the first inning and were never threatened by the Giants. The Cubs scored six times in the fourth to count their biggest inning.

The losing Giant club rallied in the fifth and sixth frames to score all of its runs.

Koyne went all the way for the Cubs to register the mound victory. Hamey and Byus twirled for the Giants.

The Ebenezer Indians whipped Schlitz Hardware 11-5 in the junior league curtain-raiser. Crabtree was the winning pitcher, Becker was the loser.

Redbirds Use Big Inning To Whip Phillies 6-4

Philadelphia, June 19.—(AP)—The St. Louis Cardinals pulled their favored "big inning act" tonight with five tallies in the sixth to whip the Philadelphia Phillies 6 to 4.

Doubles by Hal Rice and Red Schoendienst plus a triple by Cloyd Beyer added to the Phillies' downfall.

The Cardinals rode roughshod over Philadelphia starter Howie Fox and three relief hurlers, Jim Konstanty, Andy Hansen and Ken Heintzelman. The victory gave St. Louis the edge in the four-game series, three games to one.

Eleven Cardinals went to the plate in the big sixth inning and collected four hits and as many bases on balls.

The Phillies led 3-0, as late as the end of the fourth inning but their lack of basehits in the clutch dismissed excellent chances for big innings as they failed in both the second and third innings to take full advantage of situations when the bases were loaded.

Winchester Legion, Auxiliary Prepare For Burgoo Picnic

Winchester — The Julian Wells post of the American Legion met Wednesday evening and made final plans for the annual burgoo picnic which is sponsored by the Legion and Auxiliary and will be held Thursday, Aug. 7, W. H. Boile, commander, and Allen Peak, first vice commander of the Legion are co-chairmen of the event and Mrs. Mazy C. Rockwood is chairman for the Auxiliary.

A joint meeting was held with the Auxiliary and committee chairmen were named for the various phases of the picnic.

At the business meeting of the Legion the post voted to donate \$25 for the summer recreation program for Winchester. Commander Boile announced the district convention to be held in Beardstown Saturday and Sunday, at which the post will be represented by W. H. Boile and Dr. William O'Reilly, delegates. Alternate delegates are L. Allan Watt and Kenneth Cunningham.

A report of the nominating committee was given. The election of officers will be held July 2.

At the business meeting of the Auxiliary Mrs. Ina Hendershot gave a report of the 20th district meeting held June 11 at Petersburg. Those who attended the meeting from here were Mrs. Hendershot, Mrs. Gertrude O'Donnell, Mrs. Minnie Wild and Miss Barbara Tankersley. The Auxiliary voted to purchase past president pins and present them to out going presidents.

Barbara Tankersley was voted as delegate to attend the department convention in Chicago July 31 through Aug. 3, and Gertrude O'Donnell was voted alternate.

Officers were elected for the year. Barbara Tankersley as president; Loretta Blackburn, first vice president; Mary Watt, second vice president; Sophia McCabe, third vice president; Lucille North, treasurer; Gertrude O'Donnell, chaplain; and Minnie Wild, sergeant at arms.

Installation of the officers will be held July 16 with a dinner at Hotel Winchester. Trilby Skinner, 20th district director, of Jacksonville will be the installing officer. Mildred Smith, 20th district secretary, will also be a guest. Those wishing to attend the dinner should make reservations with Grace Brown or Gertrude O'Donnell before July 12. It was reported at the meeting that \$158 was realized from the poppy sale this year. A thousand poppies were sold this year compared with 900 sold in previous years.

Winners of the poppy poster contest were announced by Mrs. Lucy Walker. Winners in class 2 were Janice Harper, first; Mary Hoy, second; and Barbara Hitt, honorable mention. Winners in class 1 were Marilyn Evans, first; Marjorie Lidgard, second; and Billy Hitt, honorable mention.

INDIAN BURIAL

A U. I. archeological class was thrilled Wednesday by finding the skeleton "of a Middle Mississippi culture Indian" while excavating on the Irving Thomas farm north of Chambersburg.

Shown at the location are William Brown, (left) of Laurel, Miss., and Bill Blaine of Fox Lake, Ill. They're two of the 10 students now doing field work in this area under the direction of Dr. John C. McGregor.

Maybe this man was an Indian chief who died shortly before Columbus discovered America. At any rate, he was well decorated.

The earthen pot sitting at his head might have contained food. He had a necklace, armlets and anklets—all made of river clam shells. There were 301 big beads and 168 little beads in all.

He had a clay pipe, well broken in. The carbon liner

of the bowl shows that the man enjoyed his smoke. Other artifacts found near him were a stone blade, oval shaped and about four inches long, and four points. The layman would call them arrowheads.

Next to the pot was a chunk of galena—lead ore. Dr. McGregor said there was "nothing significant about the discovery, in itself. But our work thusfar has been very fruitful."

The "chief" was about 65 years old. He was a husky man and stood an estimated 5' 10" when alive. He was buried three and a half feet deep. Buried near him were two females, one a girl of 14 or so. The students have not yet determined the age of the other woman.

The U. I. group will work in this area for another month. Two years ago another class unearthed a village formerly occupied by the Hopewell Indians.

Elizabeth Nelms To Spend Summer Touring Europe

Miss Elizabeth Nelms of 855 W. State street left the city for St. Louis on Wednesday enroute to Montreal, Canada. In Montreal she will join a party of the Intercollegiate Tours, sailing on Wednesday for a summer of travel in Europe.

The party will land in Liverpool for a week in England. They will travel through Holland and Belgium before taking a trip up the Rhine and on to Switzerland. They will spend a week in Klosters, Switzerland, viewing the scenery and listening to lectures on the cultures of countries to be visited.

Later they will visit Italy, returning by the Riviera coast to France. They will spend a week in Paris before returning for further sightseeing in England previous to their sailing for Montreal.

Miss Nelms expects to spend a few days with her sister, Mrs. G. R. Machlan in Newark, Ohio, on her way to Montreal.

Chapin Meet Held At Anderson Home

Chapin—A meeting at the home of Mrs. James Anderson was held recently by the Chapin W.C.S.S. There were 12 members and two guests present, Mrs. Haake and Karen Smith.

Mrs. H. P. Joy led the worship service. The lesson was presented by Mrs. Warren Smith. Mrs. James Anderson conducted the business meeting.

At the close of the meeting the hostess served refreshments.

TELEPHONE, TEXAS, WITHOUT PHONE SINCE 1950

Telephone, Tex., June 18 —(AP)—The town of Telephone, Tex., doesn't have telephone.

Not since the big ice storm of January, 1950, has the local citizenry heard a telephone ring.

Residents of the little Fannin county community go to Coffee Mill Lake, seven miles away, when they want to make a telephone call. The 1950 storm levelled poles and lines and they've never been put back up. Oldtimers don't know how the town got its name.

David K. Taylor Becomes Doctor Of Dental Surgery

At the close of the 134th commencement exercises held by St. Louis University, the degree of doctor of dental surgery was conferred upon David K. Taylor, son of Mr. and Mrs. Clarence L. Taylor, 295 Sandusky street.

Dr. Taylor graduated from the local high school in 1937. He worked in the Jacksonville Dental Laboratory until he was called to service in 1941. He was stationed at the Fitzsimmons general hospital at Denver, Colo., as dental technician until his discharge from the service.

He attended Illinois College from 1946-48 and entered St. Louis University in 1949.

His wife is the former Geraldine Smith of Winchester.

The practice of dyeing nails was common among ancient Egyptians.

Set July 2 Aside As Cleaning Day At Shiloh Church

A church cleaning day was scheduled by the Shiloh W.C.S.S. during a meeting held with Mrs. Edgar Brown Thursday. The members decided to meet July 2 at the church for the clean-up job.

There were 12 members and two guests present. They opened the session with singing, "Tell Me the Story of Jesus." Favorite pies were named in answer to roll call. Mrs. Opa Shumaker, Mrs. Betty Sorrell, Mrs. Bessie Bourn and Mrs. Kate Holt were appointed as a sales and supper committee.

Mrs. Ruth Wilding was named flower and card chairman.

A report on the district meeting was made by Mrs. Lemon.

Mrs. Frances Bourn had charge of the devotional period. A program was presented by Mrs. Betty Sorrell. Refreshments were served by the hostess and her assistant, Mrs. Will Sorrell.

Scott Man Held For Grand Jury

Winchester—William McEvers, 47, was given a preliminary hearing Thursday in the court of Justice Henry Herron. He was bound over the next term of the Scott county grand jury under bond of \$5,000 on a charge of assault to commit rape.

In default of bond, McEvers was held in the county jail last night.

McEvers was arrested in Jacksonville Wednesday night by Sheriff George Letze and Jacksonville police upon the complaint of the mother of a 12 year old Winchester girl.

IT TOOK WORK, BUT CHILDREN BOUGHT SICK BOY A PLANE

White Hall—A story of children's devotion has come to light here.

Willard Brogdon has a five year old brother, Danny, in the Alton Memorial hospital suffering from rheumatic fever. He will be hospitalized for some time.

Willard got together a group of his schoolmates. They sold cold drinks and some of their own treasured comic books in Whiteside park. The money they earned was enough to purchase a toy airplane which they assembled and sent to Danny to help pass his hours in the hospital.

The boys are the sons of Mr. and Mrs. Ivan Brogdon.

Those assisting in the project were Ruth Ann and Curtis Dicks, Claude Williams and Sammy Briscoe.

Chapin Club Holds Special Meeting To Change Name

Chapin—A special meeting of the Chapin Young Women's club was held Tuesday at the local Legion home. The purpose was to choose a new name for the group so that it would not be confused with Junior Women's clubs in the federation.

Members had submitted suggestions for names to charter members of the club. From these ideas, Mrs. Edwin Detrick reported, the name of "Women's Town and Country club" had been chosen. After a short discussion the members voted to adopt this name.

Since the third week in August is the club's time to take cookies to Trail Rangers, it was decided that each member is to bring her cookies to Mrs. Wayne Bracewell Aug. 19. A committee composed of Mrs. Ernest Detmer, Mrs. Wayne Bracewell, Mrs. Fred LaKamp, Mrs. Ormand Goodrich, Mrs. Arthur Nergenah and Mrs. Robert Joy will deliver them Aug. 20.

Any other club member who wishes to make the trip is welcome. Mrs. Arthur Nergenah displayed a poster showing flower arrangements and discussed three bouquets she had arranged.

The officers of the club for the coming year are president, Mrs. Ernest Detmer; vice president, Mrs. Arthur Nergenah; secretary, Mrs. Herman LaKamp; assistant secretary, Mrs. Clarence Hamilton; treasurer, Mrs. Ormand Goodrich; and assistant treasurer, Mrs. Albert Teaters.

Religious Article, Accordion Music Heard By Class

Mrs. Kay Baxter read "The Miracle of the Cross" by Helen Harrington to the Helping Hand class Thursday at the home of Mrs. Kate Brown. The president, Mrs. Clara Brown, presided at the business meeting which preceded the program.

The devotions were led by Mrs. Marie Ward, who read the 103rd Psalm and followed it with the Lord's prayer. Roll call was answered with names of favorite hymns.

Miss Carolyn Cline played several selections on her accordion. Contests were won by Mrs. Marie Ward and Mrs. Kathryn Baxter. Guests were Mrs. Lou Hinton and Billy Bandages for Passavant hospital were folded by the group.

Patsies 4-H Club Meets At Patterson

Patterson—The Patterson Patsies 4-H club met at the home of the leader, Mrs. Helen Bain, Wednesday afternoon.

BAPTIST CLASS OF MANCHESTER MEETS WITH LENNIE WRIGHT

Manchester—The Room-for-You class of the Manchester Baptist church held a meeting June 12 at the home of Lennie Wright at Mur-raville with nine members being present.

Bertha Rimbey gave devotions and Cleta Kelly led in prayer. After the business session a social period was enjoyed with games being played and refreshments of cherry pie a-la-mode and lemonade were served by the hostess. Roll call was answered with a Bible verse starting with the letter, "F".
The next meeting will be held July 10 at the church.

M-Sgt. Witham Commended For Korean Service

With the 8th Fighter Bomber Wing in Korea—Master Sergeant William R. Witham of 413 North Prairie St., Jacksonville, Ill., was awarded the Commendation Ribbon for exceptionally meritorious service with the 8th Fighter Bomber Wing in Korea. As First Sergeant of the 8th Supply and Maintenance Group, Witham put all his efforts into keeping the supplies rolling to the F-80 Shooting Stars of the famed 8th Fighter Bomber Wing. That he and his men did a magnificent job can be seen in the fact that the 8th has broken, made and broken every known record for a jet unit in combat.

Witham's citation reads in part: "Sgt. Witham's precise and skillful management reflects credit on himself and upon the United States Air Force."

His wife, Beulah and their daughter, Donna, 2 years, reside in Jacksonville. Witham is now returning to the United States for a short leave before being assigned a position there.

Kay Farmer And Glenn E. Preston Wed At Centenary

Miss Kay Farmer became the bride of Glenn E. Preston in a ceremony performed Saturday, June 14 at the Centenary Methodist church with Rev. John Collins officiating at the double ring ceremony.

The bride, who resides in this city, is the daughter of Mr. and Mrs. Earl Farmer, Ashland route one. Mr. and Mrs. Clarence Preston of Jacksonville are the parents of the bridegroom.

GLENN PRESTON and BRIDE

For her wedding the bride wore a gray tailored suit with white accessories. A corsage of white flowers was worn at the shoulder.

Mr. and Mrs. Bart Colvin attended the couple. The bride's attendant wore a black and white print crepe street dress with white accessories and a corsage similar to that of the bride.

After the ceremony the newlyweds left on a honeymoon to the western states. Both the bride and the bridegroom are well known in local photographic circles and visited many scenic points of interest included the Bryce Canyon in Utah; Colorado Springs and the Grand Canyon in Arizona. They have returned to the city and are making their home at 894 Hardin avenue.

Both Mr. and Mrs. Preston are graduates of the Jacksonville high school. Mr. Preston is employed at the Kroger store in this city.

ADVERTISE—IT PAYS

Silver Star Awarded John D. Bagale Who Died Aiding Comrades

The Silver Star decoration of the U.S. Navy has been made posthumously to Hospital Corpsman First Class John D. Bagale, son of Mr. and Mrs. Nick Bagale, 335 North Webster avenue.

The medal and accompanying citations from the President of the United States; Dan A. Kimball, Secretary of the Navy and G. C. Thomas, Major General of the U.S. Marine Corps were made to the widow, Louise Boyette Bagale of Charlotte, North Carolina on Friday, June 13 at her home at 2322 McClintock Rd. in Charlotte. Naval officials made the presentations in a brief ceremony.

From 1945 to 1948 the Jacksonville youth had served with the First Marine Division in China during World War Two and previously received a medal for commendation for his action in the retreat from Chosin Reservoir, Korea and at this time received the Purple Heart.

Bagale volunteered to serve in the Fleet Marine Force from his position as a Hospital Corpsman in the U.S. Navy.

The citation reads in part: "For conspicuous gallantry and intrepidity in action against the enemy while serving with a Marine Infantry company in Korea May 17, 1951. Serving as company corpsman, Hospital Corpsman First Class Bagale displayed outstanding courage and devotion to duty when the company position was attacked during hours of darkness by a numerically superior enemy force. Courageously moving to the portion of the line under heaviest assault, he exposed himself without regard for his own personal safety to devastating enemy automatic weapons and small arms fire to render first aid to the wounded and drag them to safety. Refusing to seek safety for himself, he was moving across the fire-swept area to reach another wounded comrade when he was mortally wounded May 17, 1951, by enemy fire, gallantly giving his life for his country. Hospital Corpsman First Class Bagale's great personal bravery and heroic actions were an inspiration to all who observed him and were in keeping with the highest traditions of the United States Naval Service."

Mr. and Mrs. Bagale plan to leave Jacksonville June 28 to visit Mrs. John Bagale and two sons, Michael, two, and Larry, one, at their home in North Carolina.

Those at the shower for the bride-to-be included Mrs. Clarence Adams, Mrs. Clarence Wilson, Mrs. William Drummond, Mrs. Spencer, Mrs. John P. Ward, Mrs. Alex Young, Mrs. Everett Hester, daughter, Kathleen, Mrs. J. H. Edwards, Mrs. Orval Evans, Mrs. Charles Jones, grandchildren, Terry Ann and Larry Jones, Mrs. Jay Smith, Mrs. Max Smith, Mrs. J. H. Daniels, Mrs. Marvin Tholen, Miss Wilma Sherwin, Mrs. Lowell Hanback, daughter, Dorothy, Mrs. May Killebrew, Mrs. Randall Killebrew, Mrs. Pearl Fundel, Mrs. Percie Overton, Mrs. In Bowman.

The hostess served ice cream, strawberries, cake and iced tea.

Federated Music Clubs Will Visit New Salem Park

Illinois Federation of Music Clubs Day will be observed July 12 at New Salem State Park. Both junior and senior club members will gather at the area once trod by Abraham Lincoln, to become better acquainted and to promote the organization's program for better music.

Checking in at 2 p.m. (CST), the musicians will tour the historical grounds in the afternoon. At 4 p.m. a program will be presented by the Elchard accordion band of Springfield and The Holy Cross junior choir of Champaign.

In the evening the club members will witness "Forever This Land", the Abraham Lincoln play, in Kelo Hollow theatre. Special reservation arrangements have been made for the I.F.M.C. members. Overnight the musicians will bunk in the barracks formerly used by the CCC at the state park. Their overnight stay is through the courtesy of the state division of parks and memorials, of which Ray Hubbs is superintendent.

Activities Sunday include reveille at 7:45 a.m., followed by breakfast at 8:15 o'clock. Parents who accompany junior members will find overnight accommodations adjacent to New Salem.

Arrangements for the I.F.M.C. Day are in charge of Mrs. Lyman Dawson of Lincoln, a state vice president; and Mrs. Robert W. Engleish of Winnetka, state junior counselor. Heading the list of state officers attending will be Mrs. R. E. Milligan of Urbana, state president. In Jacksonville the local board members are Joseph Cleeland and Mrs. Homer Potter.

The Wilkinson Process Rubber Co. said it plans to deal in linarex produced in Jamaica.

**Fast Creaming and Mixing of Mrs. Tucker's Shortening Impresses Mrs. Edgar Hollis**

Mrs. Edgar Hollis, well-known baking authority, of 210 West Jefferson, Petersburg, has just recently completed testing Mrs. Tucker's Shortening in a white cake recipe. Mrs. Hollis' impressions are as follows: "I have baked lots of cakes before, but this was the first time I had ever used Mrs. Tucker's Shortening. For the test I tried a Prize White Cake recipe, and it turned out as fine a white cake as anyone could want! I especially noted how quickly and easily the Mrs. Tucker's creamed and mixed, and how moist and tender the finished cake was."

"I was surprised to learn about the unusual GUARANTEED CAKE INSURANCE Mrs. Tucker's offers. . . I understand that you can bake any cake with Mrs. Tucker's Shortening, using any recipe that calls for shortening, and if you don't agree that your cake is better than any cake you ever made before, using ANY other kind of shortening, that it is LIGHTER, FINER, MORE MOIST, and TENDER, then all you do is send the recipe to Mrs. Tucker's Homemakers Department at Sherman, Texas, telling what you didn't like about the cake, and Mrs. Tucker's will repay you for all the ingredients used, PLUS a dollar for your baking time! To my viewpoint, that's a real guarantee, and it's no wonder that Mrs. Tucker's is so good for baking cakes!"

Prize White Cake

Cream together until light and fluffy	1/2 cup MRS. TUCKER'S Shortening
Stiff together	2 cups sugar
Add to creamed mixture alternately with	2 cups sifted cake flour
Beat until stiff, not dry	3 teaspoon baking powder
	1/2 teaspoon salt
	1/2 cup milk
	1/2 cup lukewarm water
	1/2 teaspoon vanilla
	6 egg whites

Fold into batter.
Pour into greased and floured layer cake pans and bake in a moderate oven (350° F.). Bake three round 8-inch layers (bake 25 to 30 minutes) or two 9-inch layers (bake 30 to 35 minutes).

Happy Is The Day When Backache Goes Away . . .

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to these conditions may cause getting up nights or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Death in the Sierras

By Doris Hudson Moss

THE treasure of Gold Lake was buried under three trees. I could not understand the circle or the lines and at the moment I was too perturbed and exhausted to think clearly.

Then I remembered the vastness and enormity of the mountains. Truly, the treasure was well hidden even though the map indicated three trees by which to find it. Undoubtedly the hermit desired no competition in his treasure-hunting! Also, I did not doubt but that he was the psychopathic case Miss Hansen believed to be responsible for killing the woman near Horseshoe Springs who, Sergeant Duncan said, was Elsie Martinson, stabbing Mrs. Ordell and then bringing her back to life. I was bewildered by all this unbelievable evidence.

I STARED at the map, impressing every detail of the crudely carved design on my mind. Then I crept toward the opening of the passageway, hoping that I would not meet the hermit.

The floor of the passage ascended gradually until we were almost to ground level and the ceiling but two or three feet above the floor. Through a small though adequate opening, we came out into the wholesome sunshiny air at last beneath a protective clump of scrub willow.

Ahead of me, I saw the familiar uniform of Officer Wallace, standing with his back to me and gazing intently toward Thunder Mountain. As I was about to slip away to my tent, I saw Susie sniffing and pawing at a heap of leaves and pine needles beside a small boulder.

The discovery by Wallace. I went to the rock, turned it over. The dog dug out a pair of sharp shears, shining, yet stained a strange dark brown at the pointed ends.

Here might be the weapon that had stabbed Mrs. Ordell. The brown stain might be blood. I took some leaves from an overhanging bow of wild maple, and with these I picked up the scissors, taking care to preserve any precious fingerprints that might be on them.
